When the bar owner has a sense of humor

My dick is like life, life is HARD.
Life is also short.

Me When a beauiful girl asks for a seat 😂

My ugly ass ten drinks in, trying to give that girl across the bar my "sexy face"

why do you like eating a girl out?

the sounds. the way she whimpers. the way she brings it up back to my mouth when i stop. the broken moans. hearing her breathing get harder & feeling her legs shake. when she looks down at me as i look up at her and she bites her lip, my gosh. the way her back arches. the way she grinds her clit on my tongue. the death grip on my head right before she cums and her legs give out. the way she pulls me back up & tastes herself on my lips.

this could be you..all i need is your address..

"I'm not wearing any panties under this sundress so you can slide in whenever you want."

Ladies please take care of your vaginas and wash it properly, remember it's somebody's restaurant

When you're getting your first tattoo, but you're a little scared, so you bring some friends along for support

I’m sorry but sex will never be enough for me to stick around. I need my soul fed. Spiritual growth. Teach me. Mold me. Guide me. Talk to me. Love me. Connect with me and understand me.

TRUST
It's more than simply believing that your partner won't betray you.
Real trust is having true faith in the heartfelt belief that your partner does what he does because it is the best thing for you, rather than the best thing for him.

Things I wish I could eat all the time

A friend got mad at me for smelling his sister's underwear.

I don't know if it was because she was still wearing them or because the rest of the family was there. Either way it made the rest of the funeral very awkward.

Your words were
intoxicating
Your voice seducing
I hungered to taste the
poison on your lips..

I hunger
One taste of my love

Introduce yourself to her body
Kiss her demons

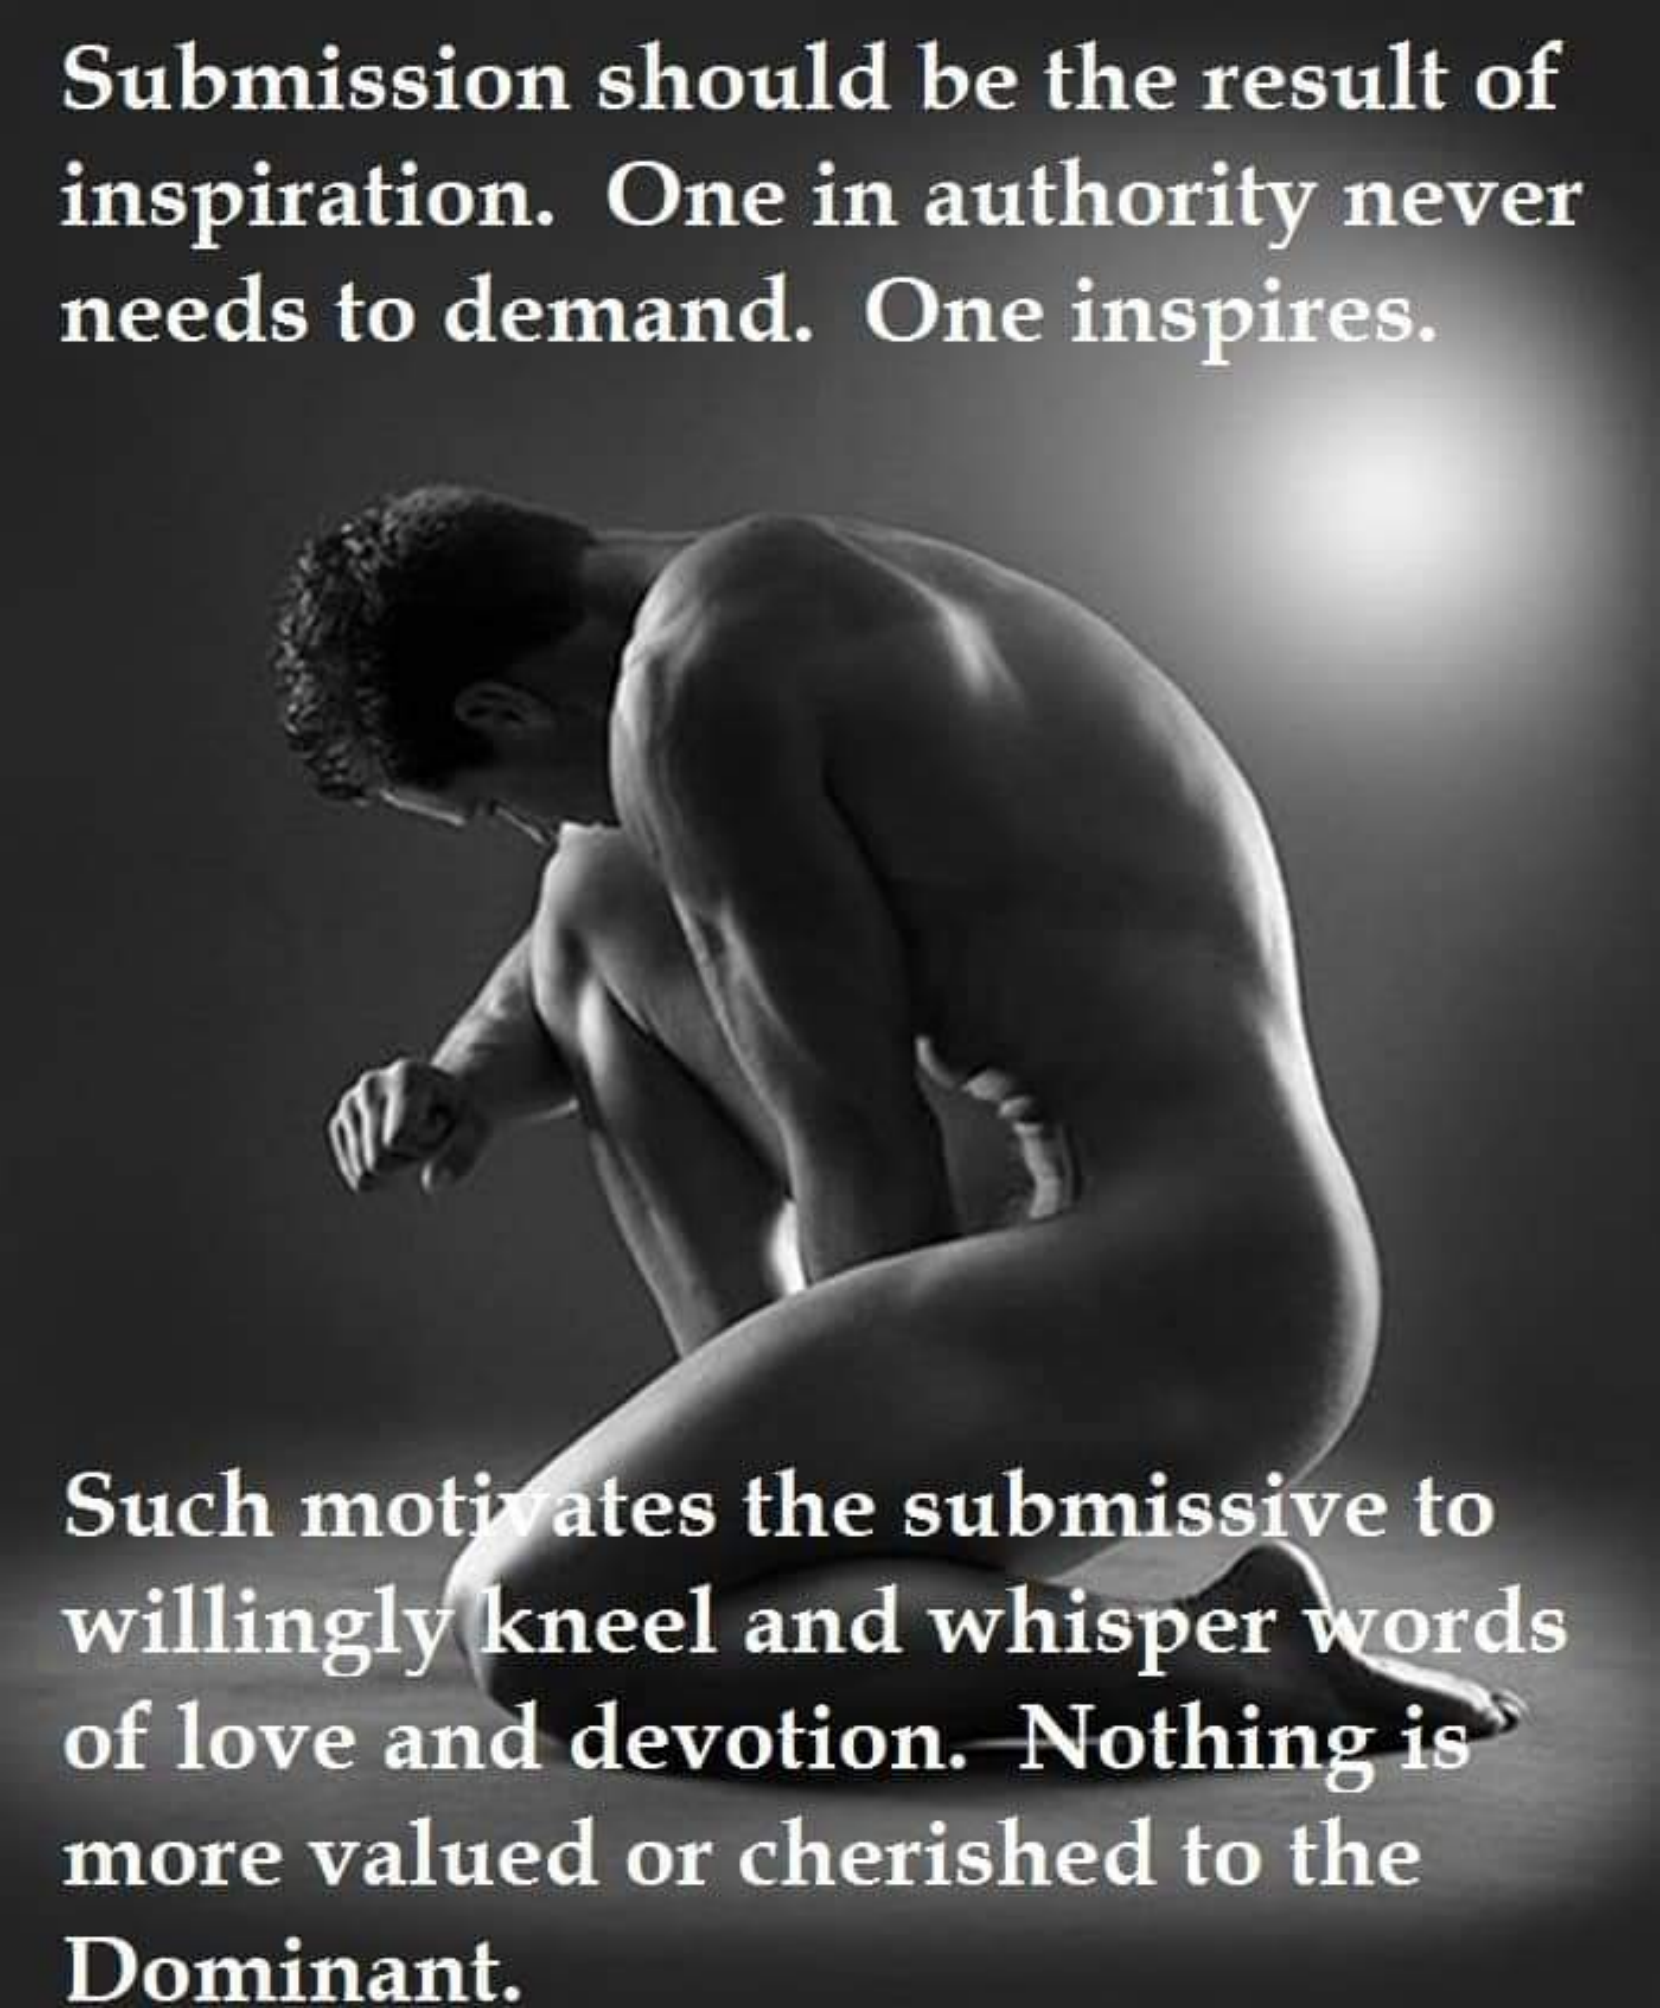
Submission should be the result of inspiration. One in authority never needs to demand. One inspires.



Such motivates the submissive to willingly kneel and whisper words of love and devotion. Nothing is more valued or cherished to the Dominant.
